Re: **ALL-STAR TEAMS - General Information**

For all parents interested in having their children try out for the All-Star teams that will travel to the Island in August, please note the following:

- ▶ Trial dates will be set in early May.....Players will be identified for trial by coaches scouting the players during the Indoor Program. IF your child is not invited for any reason, you may still have them attend the age group try-out .... at your discretion.
- ▶ The All-Star teams this year will be in the U10, U12, U14 and U16 age groups. We may try and field U18 teams as well.
- ▶ Parents of the **U10 age group**.....IF YOUR CHILD is selected, YOU will be expected to travel with the player or have another parent assume responsibility for the child. This tournament will be in St John's on the weekend of August 27-29. Other dates and locations will be released after April 17 weekend.
- ▶ U10 PARENTS will also be expected to stay at the **team hotel**. NO EXCEPTIONS unless you are staying with family. The association will assist with ground travel in St John's. The coaches MUST have the players in close proximity.
- ▶ BUDGETS for each All-Star team will be set by May 1<sup>st</sup>. Parents can expect players to have to raise approximately \$600-\$700 each for the trip in August. Fund raising activities will begin as soon as the teams are selected and the managers placed.
- ▶ Please contact Dave Winters or Trevor Paine if you have any questions.
- ▶ Managers and Coaches will be appointed in late April.

See you in the arena and on the field.
